TECHNICAL FILE

NAYRIB

GRAPES: 60% Chardonnay, 40% Ribolla Gialla
SQNPI (Sistema di qualità nazionale produzione integrata) certification for sustainable production in low impact management
PRODUCTION AREA: Pasiano di Pordenone. (PN) Friuli Venezia Giulia
TRAINING: Chardonnay: double Guyot ; Ribolla Gialla: Sylvoz.
HARVEST PERIOD: Mid-September.
VINIFICATION : Chardonnay and Ribolla Gialla grapes are carefully blend in the field at harvest, respecting their integrity, before pressing and fermentation at controlled temperature take place. Before bottling, the wine rests on the lees in stainless steel tanks.
ALCOHOL : 12% vol.
PH: 3.13
Residual sugar: 3.6
SENSORY ANALYSIS: pale straw yellow with greenish hues, excellent clarity and good consistency.
Delicate on the nose, with an olfactory range that develops on notes of fresh flowers, elderberry, acacia, orange blossom, followed by fruity aromas of pineapple and white peach, with light citrus hints.
Well balanced on the palate with slenderness and freshness. The finish closes the sip with a pleasant cleansing, for a refreshing drink with a youthful impact.
PAIRING: Excellent with raw fish, fried or baked fish, but also with poultry, cold cuts and unseasoned cheese. Try it also with home-made pizza!
SERVICE TEMPERATURE: it is recommended to serve at 10-12°.

IN SUMMARY

.

Nayrib, our white wine, a field blend of Chardonnay, an international grape variety of undisputed elegance, and Ribolla Gialla, a native grape of Friuli Venezia Giulia, which stands out for its delicate bouquet and dry flavor, with marked freshness .

The pale straw yellow color anticipates the delicacy of the olfactory range, which develops on notes of fresh flowers, elderberry, acacia, orange blossom. Pleasant fruity aromas of pineapple and white peach follow, with light citrus hints.

Well balanced on the palate with slenderness and freshness. The delicately savory finish closes the sip with a pleasant cleansing, for a refreshing, summer drink with a youthful impact
